Quick Books

These books are a great shelf filler and are easy to make in minutes.

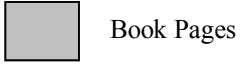

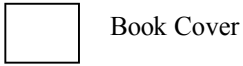

All you need are some small pieces of thin card in assorted Colours and a piece of white or similar Jumbo Cushion Floor.
(ask at your local carpet shop they often have sample pieces that they may let you have)

Cutting Board,
Craft Knife,
Glue

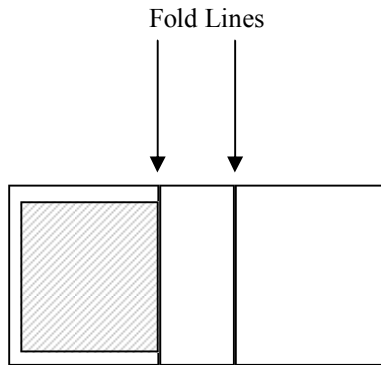

Quick Book Templates

KEY

***Tip:** If you want to add some interest to the books, simply write along the spine using a fine gold pen.*

Book 1, Cut 1 x Book Cover from the card and 1x Book Pages from the cushion floor. Cut further Book Pages to achieve the desired thickness and glue together.

Fold the cover along the fold lines and glue in the pages to form the finished book.

Repeat the same method for templates 2 & 3
